2. TERMINOLOGY FOR CLASS LEVELS AT NATIONAL MUSIC FESTIVAL

The 2023 FMFNS syllabus has **two** levels of Provincial Music Festival competition: Intermediate and Senior/Advanced. When the winners of these Provincial levels advance to the National Music Festival competition, they enter one of the following streams:

Junior Level students may be recommended by their local music festival to advance **directly** to the National Music Festival in the **Non-Competitive Education Stream (NCES)**, bypassing the Provincial Music Festival.

Refer to charts below for the overall framework of the National Music Festival streams. For Nationals specification by discipline, you are advised to go to <https://fcmf.org/syllabus/>

3. NUMBER OF NOMINEES PER LEVEL FROM LOCAL TO PROVINCIAL

- **JUNIOR LEVEL - Please note:** Junior Level is not included at the Provincial Music Festival. Junior Level students go directly from their local festival to the National Music Festival in the **Non-Competitive Education Stream (NCES)**, bypassing the Provincial Music Festival. Each local Festival may send **maximum of 1** student per discipline to the National Music Festival (plus 1 Alternate, if deemed appropriate. See #4).
- **INTERMEDIATE LEVEL - maximum of 2** nominees (plus 1 Alternate per discipline, if deemed appropriate. See #4.) from the local Festival to the Provincial Music Festival solo and recorded stream classes. This includes Solo and Ensemble Composition classes;
- **SENIOR/ADVANCED LEVEL - maximum of 2** nominees (plus 1 Alternate per discipline, if deemed appropriate. See #4.) from the local Festival to the Provincial Music Festival solo and recorded stream classes. This includes Solo and Ensemble Composition classes.

NOTE: *At the Nova Scotia Provincial Music Festival, if an adjudicator recommends that two (2) performers proceed to competitions at the National Music Festival, then they must both be first place winners in their class, i.e. tied for first place. Also, it is possible for an adjudicator to award a first place in a class but not recommend that the performer proceed to National competitions.*

4. ALTERNATES

Adjudicators may recommend one alternate per class if the standard of performance is met. If a registered competitor is unable to participate, the named alternate can replace the competitor. Registration fees (with an administrative deduction) will be returned to the original person and a new registration fee must be paid for the alternate.

5. DEADLINE FOR CONFIRMATION OF PARTICIPATION - 48 HOURS:

Competitors at Local Levels nominated to proceed to Provincial Competitions have 48 hours in which to confirm their intention to proceed to this level of competition. This is also true for competitors nominated from the Provincial Music Festival to proceed to National competitions. Should one of the competitors nominated to proceed to the next level of competitions withdraw from that competition and an Alternate has been nominated by the adjudicator then that person may be offered the opportunity to join the competition and will have 48 hours in which to confirm their intention to do so.

6. CLASS REQUIREMENTS

FCMF has changed **class requirements** and **time limits** for each level, with mandatory repertoire requirements (including required RCM levels) and - within that - more freedom in repertoire choice. There is the expectation that a well-rounded recital will be presented. Refer to FMFNS and FCMF syllabi: both should be checked very carefully for details as they relate to each level of competition and discipline.

<https://fmfns.ca>

<https://www.fcmf.org/syllabus/>

- **Brief Introductory Remarks:** Competitors are allowed to make brief introductory remarks for some/all of their pieces. These comments are included in their overall performance time, but are not considered by the adjudicator in making his/her decisions re: music performance.

7. MUSICAL THEATRE (*revised 2023*)

Junior, Senior, and Senior-National Musical Theatre classes that have been traditionally offered at the Nova Scotia Provincial Music Festival will no longer exist in 2023. There are new requirements, and it is important to check the Provincial Music Festival Syllabus for details as it may require syllabus adaptations at the local festival level. <https://fmfns.ca>

There will now be two levels in Musical Theatre at the Nova Scotia Provincial Music Festival, both of which may advance to the National Music Festival*:

- Intermediate;
- Senior/ Advanced.

NOTE: *Local festival Junior Level nominees for Musical Theatre now go directly from their local Festival to the National Music Festival, bypassing the Provincial Music Festival. At the National level, all Junior Levels are titled **Non-Competitive Education Stream (NCES)**. Each local Festival may nominate a maximum of 1 student in the NCES Stream plus 1 Alternate. See p. 3 and p. 4, #4.*

9. ELIGIBILITY: Local festivals may determine who represents them at the NS Provincial Music Festival in one of two ways:

- 9.1 **Either:** The Local Festival can add provincial classes to their syllabus and students enter those classes if they are interested in being eligible for the Provincial Music Festival. The local adjudicator would determine which student(s) should represent the festival in each class. **OR:** The local festival adjudicator could choose a student or students from the appropriate grade and/or age levels for each class, making sure they have appropriate repertoire to meet the requirements of the class they are being recommended for;
- 9.2 A minimum mark of 85 is required at the local festival to be recommended to the Nova Scotia Provincial Music Festival;
- 9.3 To be eligible to advance to the FCMF National Music Festival from the Nova Scotia Provincial Music Festival, the Competitors(s) must reside in Nova Scotia or study in Nova Scotia;
- 9.4 A local festival may send TWO competitors in each of the NS Provincial Music Festival Finals. Local festivals are encouraged to have the adjudicator for each eligible discipline name an alternate competitor and complete the necessary paperwork, in case a first choice competitor is unable to attend for any reason;
- 9.5 In disciplines with age requirements, the competitor's age will be determined as of December 31 prior to the Provincial Festival. Local festivals must offer proof of age, if requested;
- 9.6 Participation is limited to non-professional musicians. A non-professional musician is defined as a person whose principal means of livelihood is not obtained from the performance of music in the particular category in which he or she is competing. This stipulation does not, however, preclude such a person having occasionally received remuneration for musical services rendered, even in the area in which he or she is competing;
- 9.7 Competitors may only be recommended to the Provincial Music Festival Finals from ONE local festival per discipline. Each competitor must accept, or decline, a recommendation from a local festival within 48 hours;

- 9.9 At a live Nova Scotia Provincial Music Festival, recorded accompaniments are not permitted. Each competitor must arrange and pay for his/her own accompanist;
- 9.10 Accompaniments are restricted to the piano, unless otherwise indicated in the score;
- 9.11 Accompanists must abide by copyright rules and restrictions whether playing from a paper or a digital score;
- 9.12 A Registration fee is non-refundable unless the entry is declined by the FMFNS. Once an entry has been accepted, no changes to repertoire will be allowed;
- 9.13 Alternates: Adjudicators may recommend alternates in any class if the standard of performance is met. If a registered competitor is unable to participate, the named alternate can replace the competitor. The alternate will be required to pay the entry fee in full prior to participation;
- 9.14 For Chamber groups, if a recommended competitor from the Local Festival level is unable to participate at the Provincial level, they can be replaced by an alternate. There is a maximum of one substitution permitted for each Chamber group.

10. REPERTOIRE: The minimum repertoire requirements to be performed at the NS Provincial Music Festival, as outlined in the Provincial Syllabus, must have been heard by the recommending adjudicator at the Local Festival. This may be in a specifically designated Provincial Class or through a combination of performances in classes at the Local Festival.

IMPORTANT: Refer to FMFNS syllabus <https://fmfns.ca> and FCMF Syllabus <https://www.fcmf.org/syllabus/> for specific repertoire details.

- 10.1 Competitors may add additional movements of their multi-movement works, and/or additional selections within the maximum time;
- 10.2 A Concerto or Concerted Work is defined as any composition written for solo instrument with orchestral accompaniment;
- 10.3 Sonatinas, Sonatas and Concertos can be from any musical time period if they have been graded, as per syllabus requirements. A one-movement Sonatina or Sonata meets the requirements for the Junior level (Developing Artist Stream);
- 10.4 A **selection** is a composition or song cycle that is meant to be one body of work as indicated by the composer. Competitors may choose to perform partial or complete works based on syllabus requirements and time restrictions. A second selection cannot be another movement or song from the same work;
- 10.5 In disciplines with graded repertoire requirements, the level of difficulty of their repertoire will usually be that of the Royal Conservatory of Music [RCM]. Complete and accurate information on registration forms allows for checking the appropriateness of repertoire, and the resolving of any problems before competitions proceed;

- 10.6 Competitors are encouraged to reflect a variety of styles and periods in their choice of repertoire. They are also encouraged to use Canadian and Indigenous composers in their performances.
